

DMS Pharmaceutical Group's Fisher House of Illinois Project Came to Fruition in 2010

In 2005, Sam Lazich, DMS Pharmaceutical Group president and Bill Anderson, DMS executive vice-president made the decision to team up with the Fisher House Foundation to bring a much needed Fisher House to the “Chicagoland” area. The Fisher House became a reality Memorial Day weekend 2010 with the official opening of the first Fisher House of Illinois located on the grounds of the Hines VA Hospital located 12 miles west of downtown Chicago.

For more about the project visit www.dmspharma.com.
